No. CEA/PLG/IRP/501/48/2010/

Dated: 12.08.2010

To:

The Project Developers

Subject: - Regional Level Meeting of North-Eastern Region

Sir,

Central Electricity Authority is in the process of finalizing National Electricity Plan for the 12th Plan. Though details of a number of projects that are being planned for execution during 12th plan and beyond are available with CEA, the actual progress of each project and details of any other new projects need to be discussed in detail before an assessment of each project about its execution within 12th Plan is made.

For this purpose it is proposed that regional meetings be held. The meeting of North-Eastern Region is proposed to be held on 31st August, 2010 at 10:30 AM at following venue:

**Hotel Gateway Grandeur
G.S. Road, Christian Basti
Guwahati-781005
Assam**

The meeting will be chaired by Chairperson, CEA.

A tentative list of Projects, which are likely to give benefits during 12th Five Year Plan, is enclosed. The status of these projects would be discussed in detail. If State Authorities/IPP/CPSUs have any additional information about any new projects, these could also be considered during the meeting.

Further, it is requested that information about each project (included in the enclosed list or any new proposed project) may please

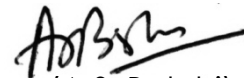

be intimated to CEA in the enclosed Performa latest by 20th August, 2010. It is also mentioned here that status of Gas Projects likely scheduled for commissioning during 12th plan will also be discussed.

You are requested to please make it convenient to attend the meeting or depute some Senior Officer from your Organization well versed in the subject to attend the meeting at above mentioned venue.

Further, any developer wants to set up any Power project in North-Eastern Region, which could commission & give benefits in 12th Five year plan, are also welcome to attend this meeting.

With warm regards,

Yours faithfully,

(A.S. Bakshi)

Chief Engineer (IRP)

INFORMATION REQUIRED REGARDING POWER PROJECTS BEING SET UP BY YOUR ORGANISATION

1. Name of the Project & its Location:

Village:.....

Taluka:.....

Tehsil:.....

District &

State:.....

Contact Person/ telephone number:

.....

2. (a) If Thermal Plant

- (i) Pit head (Expected distance from coal source)

.....

- (ii) Other location

.....

.....

(b) If Hydro Plant

- (i) ROR.....

- (ii) Storage.....

- (iii) Pump storage.....

3. Capacity (MW)

- (a) No of Units

.....

- (b) Unit Sizes

.....

- (c) Sub- Critical / Super Critical

.....

4. Project Cost (in Rs. Crores)

- (a) Foreign Component

.....

- (b) Domestic Component

.....

5. Financial Closure (Status in detail)

.....

6. Schedule Date of Commissioning (Unit-wise)

.....

7. Land Requirement & Availability (In acres)

.....

8. Water Availability & allocation

.....

9. Fuel Linkage/Availability/Linked Mine

.....

10. E&F Clearance Status

.....

...

11. (a) Status of Main Plant Order (Thermal Projects)

(i) Name of Main Plant Supplier

.....

(ii) Likely Date of Placement of order

.....

(iii) Likely date of completion

.....

(b) Hydro Projects

(i) Status of award of civil Package

.....

(ii) E&M equipment ordering Status

.....

(iii) Likely date of completion

.....

12. Status of Balance of Plants (BoPs) – Item-wise

.....

13. Status of Power Purchase Agreement, if any

.....

14. Power Evacuation Arrangements

.....

15. Energy Generation in case of Hydro Projects

.....

Remarks: Any additional information regarding Project
