SEWA BHAWAN, RAMAKRISHNA PURAM, NEW DELHI-110066

No. CEA/PLG/IRP/501/48/2010/

Dated: 28.07.2010

To:

Subject: - Regional Level Meeting of Eastern Region

Sir,

Central Electricity Authority is in the process of finalizing National Electricity Plan for the 12th Plan. Though details of a number of projects that are being planned for execution during 12th plan and beyond are available with CEA, the actual progress of each project and details of any other new projects need to be discussed in detail before an assessment of each project about its execution within 12th Plan is made.

For this purpose it is proposed that regional meetings be held. This meeting of Eastern Region is Third in the series after Northern Region & Western Region which is proposed to be held on 11th August 2010 at 11 AM at following venue:

**DVC Auditorium, 12th Floor
Damodar Valley Corporation (DVC)
DVC Head Quarters DVC Tower, VIP Road
Kolkata 700 054**

The meeting will be Chaired by Member (Planning), CEA.

A tentative list of Projects, which are likely to give benefits during 12th Five Year Plan is enclosed. The status of these projects would be discussed in detail. If State Authorities/IPPs/CPSUs have any additional information about any new

projects, these could also be considered during the meeting. It is mentioned here that Status of Gas Power Projects which are likely to be commissioned during 12th Five year plan would also be discussed in the meeting.

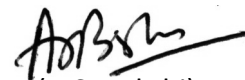

Further, it is requested that information about each project (included in the enclosed list or any new proposed project) may please be intimated to CEA in the enclosed Performa latest by 5th August, 2010.

You are requested to please make it convenient to attend the meeting or depute some Senior Officer from your Organization well versed in the subject to attend the meeting at above mentioned venue.

Further, any developer wants to set up any Power project in Eastern Region, which could commission & give benefits in 12th Five year plan, are also welcome to attend this meeting.

With warm regards,

Yours faithfully,

(A.S. Bakshi)

Chief Engineer (IRP)

INFORMATION REQUIRED REGARDING POWER PROJECTS BEING SET UP BY YOUR ORGANISATION

1. Name of the Project & its Location:

Village:.....

Taluka:.....

Tehsil:.....

District & State:.....

Contact Person/ telephone number:

2. (a) If Thermal Plant

(i) Pit head (Expected distance from coal source)

(ii) Other location

(b) If Hydro Plant

(i) ROR.....

(ii) Storage.....

(iii) Pump storage.....

3. Capacity (MW)

(a) No of Units

(b) Unit Sizes

(c) Sub- Critical / Super Critical

4. Project Cost (in Rs. Crores)

(a) Foreign Component.....

(b) Domestic Component

(c) **Financial Closure (Status in detail)**
.....

5. Schedule Date of Commissioning (Unit-wise)

6. Land Requirement & Availability (In acres)

7. Water Availability & allocation

8. Fuel Linkage/Availability/Linked Mine

9. E&F Clearance Status

11. (a) Status of Main Plant Order (Thermal Projects)

- (i) Name of Main Plant Supplier
- (ii) Likely Date of Placement of order
- (iii) Likely date of completion

(b) Hydro Projects

- (i) Status of award of civil Package
- (ii) E&M equipment ordering Status
- (iii) Likely date of completion

12. Status of Balance of Plants (BoPs) – Item-wise

13. Status of Power Purchase Agreement, if any

14. Power Evacuation Arrangements

15. Energy Generation in case of Hydro Projects

Remarks: Any additional information regarding Project

TENTATIVE LIST OF 12 TH PLAN POWER PROJECTS IN EASTERN REGION
