**Subject: Follow up action on the decisions taken during the 1st meeting of 18<sup>th</sup> Electric Power Committee (EPSC) on 27.08.2010.**

**Sir,**

As you are aware the brainstorming session and the First Meeting of 18<sup>th</sup> EPSC was held on 27<sup>th</sup> August, 2010, in New Delhi to deliberate on the approach and methodology to be adopted for carrying-out the Electric Power Survey. In connection with collection of the data for carrying-out the survey, it was decided to designate a Nodal Officer in each state/UT for interaction with the Secretariat of the committee in CEA. In view of the availability of data in each State with different companies/agencies, it was decided that a Working Group may be constituted under the Chairmanship of a Nodal Officer having members from each distribution company / agency in the State to collect and firm up the data required carrying out the study for the electric survey and submission of the same to the Member Secretary of the 18<sup>th</sup> EPSC as also for further interactions on the forecast of the power requirement. It is requested that the Working Group may be constituted on priority and the name and address of the Nodal Officer may please be communicated.

It has been proposed that the forecast for the power requirements of the mega cities (population greater than 50 lacs) viz Delhi, Mumbai, Kolkata, Bangaluru, Hyderabad, Pune and Chennai may also be carried out in the Survey. Further, it was considered in the Meeting that the analysis of the pattern of load growth for a cross section of cities in various population range of 10-20 lacs, 20-30 lacs and 30-40 lacs may also be carried out for EPS. It is requested that the names of the cities in above population range may be communicated. The data

for the cities would need to be collected in detail in the prescribed proformae for uniformity purpose.

The collection of the data and its analysis need to be carried out in a compressed time-frame to complete the survey as per schedule. It is, therefore, requested that the nomination of the Nodal Officer and constitution of working Group may please be communicated on priority for carrying out of the Survey Work in the State and for coordination with the Member Secretary of the 18<sup>th</sup> EPSC. The address and Telephone numbers of the Member Secretary of the 18<sup>th</sup> EPSC are as under.

**Yours faithfully,**

**(Major Singh)**
