

Central Electricity Authority
Office of Secretary (CEA)
2nd Floor, North Wing Sewa Bhawan
Ram Krishna Puram New Delhi-110066

No. CEA/TE&TD-TT/2011/F-9

Dated: 19th April, 2011

To

All State Power secretaries, Thermal Power Generating Cos./Project developers and Manufacturers of large power boilers As per list

Sub: Blending of imported/high GCV coal with low grade indigenous coal – Design of new boilers for Blend Ratio of 30:70 imported/high GCV coal: indigenous coal– reg.

Dear Sir,

As you may be aware, there exists large gap between projected demand and supply of indigenous coal to keep pace with the large generation capacity addition programme in the 12th Plan and beyond. Imported coal is being used by several utilities and may continue, so as to bridge the shortfall in indigenous coal supplies to the coal based power stations.

Coal quality is a major input parameter for design of a power plant boiler. Large coal quality variations may not be readily accommodated in a plant and may also lead to loss of efficiency. It is thus considered prudent that all future coal fired thermal power stations to be set up in the country shall be so designed as to enable use of higher percentage of imported/high GCV coal as may be required.

Accordingly, all power generating companies, power project developers and power equipment manufacturers are hereby advised that for the purpose of design of boilers for all future indigenous coal based thermal power plants, a stipulation shall be made that the boilers (including auxiliaries) shall be designed for **blend ratio by weight of 30:70 (or higher) imported/high GCV coal: indigenous coal**. The station facilities shall also be designed for unloading, handling and blending of imported/high GCV coal.

Yours faithfully

(Amarjeet Singh)
Secretary CEA

A. State Govts

1. Special Chief Secretary (Energy), Govt. of Andhra Pradesh, Energy Department, Door No. 359, 'D' Block, 2nd Floor, A.P. Secretariat, Hyderabad – 500 022 Andhra Pradesh
2. Secretary (Power Electricity), Govt. of Assam, P.O. Schivalaya, Block C, 3rd Floor. Dispur, Guwahati Assam
3. Secretary (Energy), Govt. of Bihar, Department of Energy, Sinchai Bhawan, Bihar, Patna-800 015 Bihar
4. Principal Secretary (Energy), Govt. of Chattisgarh, Deptt. of Energy & Water Resources, Room No. 308, Mantralaya Dau Kalyan Singh, Bhawan, Raipur – 492001 Chhattisgarh
